presents  
the  
1953 - 1954

MABICO

## *Our Cover*

"...And ye shall know the truth and the truth shall make you free." (John 8:32)

Oh Liberty Bell, thou dost hold within thine ancient and symbolic form the tradition we claim most dearly. Thou didst proclaim liberty to those oppressed. They heard thy prophetic knell and answered with life itself. Now though thy days must be spent in quietness still in our reveries we hear thy voice proclaiming liberty and calling for self sacrifice and devotion to its cause.

But beyond thy mystic shape we see enshrined the God whose very being inspired thy creation. We see the Christ whose devoted mission was to proclaim the greater liberty to the captives. Through Him we have found the fullest manifestation of thy eternal call.

May the sight of thy strong majestic beauty ring in our hearts the imperative of seeking the truth and in finding it to know the complete freedom.

# *Dedication*

Dr. Virgil V. Hinds

For twenty-five years, T. H. Johnson carried the "ball" for Manhattan Bible College but at his untimely death in the spring of 1952, Dean Virgil V. Hinds was elevated to the post of acting president. These were trying times for any man to overcome but Virgil Hinds was equal to the task and the school survived. After a new president was brought to M. B. C., he returned to his Dean's position. But, again he was needed, for in March of 1953, he was called again to the position of before due to the resignation of the president. During the hours of depression and gloom, the figure of Virgil V. Hinds stood as a light in the storm and brought Manhattan Bible College to a new dawn. To this man and his wonderful work, Manhattan Bible College and all the Christian world dedicate this Annual.

We salute you, Dean Virgil V. Hinds!!!

•Not pictured this year is Mrs. Carr, who was injured in an automobile accident which has left her inactivated for several weeks.

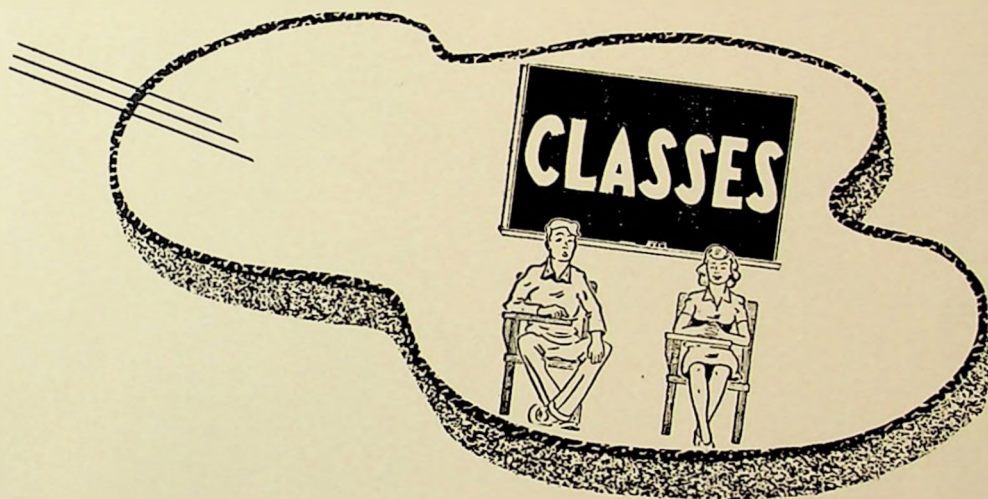

As in the days of Isaiah when God needed a man to do his work, so today God summons men to perform his bidding. When the presidency of Manhattan Bible College was vacated in March of 1953, a new president was sought. The search led to the Englewood Christian Church in Chicago, Illinois, where he was serving in his third year as pastor. God gave him the call, and like a true captain of the Army of Christ, he responded with a will to serve where most needed. He was inagurated at the First Christian Church in Manhattan, Kansas, on the warm fall evening of October 20th. For almost three months prior to this date and ever since, we, of M. B. C., have seen a Godly man do the job of many and do them well. We feel this College is on the upward road with a man at the helm such as President Burton B. Thurston.

## *New President*

## ABX

Ambassadors for Christ! They meet with an eye to the whitened harvest fields of the world. Their service reaches beyond the state, beyond the country, to the wide reaches of foreign missions opportunity.

Their meetings, their conversations, their sponsorship of the sacrificial banquet all kindle the spark of foreign outlook and fan into the flame the burning desire to serve their Christ where ever He might lead. Former members are all ready on the field beckoning for others to come. A. B. X. answers, "Here are we. Send us."

HOPE, HONOR, TRUTH, the watchwords of the faithful minister, form the foundation stones of the men's organization of MBC. Every man enrolled in MBC is eligible to belong to E. T. A. His participation in the activities, however, are voluntary.

E. T. A. sponsors MBC Day each spring as well as the Annual that you are reading. At the regular monthly meetings the members are stimulated to deeper spiritual thinking by discussion, debate, and lectures on the practical side of the Christian ministry.

**E. T. A.**

"Those who serve together" is a fellowship of the women of M. B. C. All unmarried women who are enrolled and the wives of all the married male students are eligible to attend the meetings and have an active part. Mrs. T. H. Johnson has served as the sponsor this year. They perform a most valuable functions they bring together the women of the school into a closely knit fellowship. They help prepare the food and conduct the MBC Day activities. Each year they provide a good gift of money for some worthwhile project about the school.

## *Sundoulai*

NOT PICTURED: Mrs. T. H. Johnson, Sponsor.

## *Student Council*

Pres. Harold Ball

The council is composed of elected representatives of each class and organization in the school. Its purpose is to determine the aims and actions of the student functions. The Council is to represent student opinion to the administration so that all things might be done decently and in order that even a greater harmony might be achieved. We feel that this policy is for the mutual benefit of both students and faculty. Another function of the Council is the publication of the official student paper, the Trumpet. Omar Thieme and Don Marshall are the co-editors.

To all the girls of Manhattan Bible College, 1409 Anderson is home. Here they spend most of their time in study, fellowship, devotion, and SLEEP. Martha Amlong, the school librarian as well, is also the mom of the house and to all the girls. To those of T. H. Johnson Memorial Hall who have left, it still carries many memories of home.

## *Girls Dormitory*

## *The Boys House*

Mrs. T. H. Johnson is the "mother hen" to eleven lively, baby "roosters" at 1709 Laramie. Christine House is to the boys what T. H. Johnson Memorial Hall is to the girls. Here, too, much time is spent in fellowship, research, consecration, and anything else you can think of. Many are not at Christine House anymore, but none shall ever forget their happy hours there.

## *Girls Sextette*

Music at Manhattan Bible College has been beautifully presented by its music department. Besides the choir, there is the mixed quartette, girls trio, and girls sextette. Another quartette, not pictured, has been formed and has planned a tour through Indiana during the Easter week. It is composed of all Freshman boys.

Under the direction of John Baird, newly acquired, the Music Department is showing definite signs of progress in preparing Christ's servants to praise His name through Music.

*Life*

# The Library

An action picture of the interior of the school library. Inset are (R) Mark Aikey, Assistant Librarian and (L) Martha Amlong, Head Librarian.

The library provided wonderful opportunities for the students of Manhattan Bible College as it is constantly increasing its' selection of writings, both religious and secular. However, the number of books desired are not nearly acquired and so a steady search is being conducted to enlarge the number and quality of the books.
